POSITION TITLE: FA Electrician

DEPARTMENT: Maintenance

STATUS: Non-Exempt

HOURLY RATE: \$32.22 - \$33.47, depending upon license

POSITION SUMMARY:

This is a temporary position (approximately 9-12 months), the primary focus of which will be on the installation and maintenance of security camera systems. Additionally, the FA Electrician will perform routine electrical maintenance tasks for WHA properties and developments as needed.

ESSENTIAL FUNCTIONS:

1. Installs digital IP cameras internally and externally mounted (indoor / outdoor).
2. Service IP camera inventory within the WHA resetting, adjusting and replacing as needed.
3. Performs the installation of electric wiring systems to a wide variety of high and low voltage devices, appliances, motors, and equipment using a variety of hand and powered tools, test instruments, and equipment in accordance with appropriate electrical safety codes;
4. Performs troubleshooting and repairs to high and low voltage equipment or devices, appliances, motors, and transformers on building electronic and electric systems and equipment such as HVAC, space and water heating, emergency power, communications, fire alarms, and intercoms;
5. Refers to circuit diagrams, blueprints, schematics and specifications in identifying problems and repairing systems and equipment;
6. Makes recommendations for replacement or renovation of systems and equipment for use in budget planning, plans reviewing and operations improvement;
7. Maintains essential replacement parts and recommends the inventory level for essential replacement parts;
8. Provides technical support and assistance that may be required in the training of other employees in their non-licensed electrical related responsibilities;
9. Performs other emergency work in case of storm, fire, flood, and other emergency situations if determined by management to be in the interest of public safety.

OTHER RESPONSIBILITIES:

1. May be required to work on ladders, in crawl spaces, or in a bucket truck;
2. Performs similar job-related duties as assigned.

EDUCATION, EXPERIENCE AND SKILLS REQUIRED:

1. High school diploma;
2. Journeyman electrician's license required, Master license preferred;
3. Valid Massachusetts driver's license;
4. Minimum of five (5) years continuous, full-time experience working as electrician;
5. Familiarity with residential and commercial electric and electronic building systems and codes;

The Worcester Housing Authority provides reasonable accommodations to people with disabilities
40 Belmont Street • Worcester, MA 01605 • (508) 635-3000 • TDD (508) 798-4530 • Fax (508) 635-3186

6. Ability to read and interpret electrical plans and specifications;
7. Ability to analyze electrical problems and troubleshoot for needed repairs;
8. Good interpersonal communication skills; ability to work well with other skilled and unskilled employees, residents, contractors, and vendors;
9. Ability to plan, layout, and perform assignments with minimal supervision;
10. Ability to work with Windows and DOS based computer programs and use lap top computers in the performance of equipment setup, operation, troubleshooting, and repair;
11. Ability to be relied upon to be available for work.

ENVIRONMENTAL & PHYSICAL REQUIREMENTS TO PERFORM ESSENTIAL FUNCTIONS

This position requires working indoors and outdoors in all weather conditions and is subject to heavy and strenuous work. May encounter undesirable pests.

Environmental Parameters:
