

HAPPY HOLIDAYS!!

**By: Alex Corrales
Executive Director**

Hello Residents

Another year is quickly coming to an end. It certainly was a year that was filled with our share of tragedies including three major hurricanes that left families in Houston, Florida and the Caribbean in despair. We also saw the horrific acts of terror with the mass shootings that occurred in Las Vegas and Sutherland Spring Texas.

As we read about the lives that were lost and the extraordinary level of destruction, we also read about the resilience and fight of the human spirit. So many people came to the aid of complete strangers to help them heal and to try to get their life back to some level of normalcy.

The month of December is certainly synonymous with celebrations, gifts, gatherings and spending

time with family and friends. I am happy to inform you that with the partnership of many, we are able

to offer holiday meals to all of our major developments.

I ask that you take the opportunity to come to the holiday dinner in your development to not only enjoy a delicious meal, but more importantly to spend time with your friends and neighbors and maybe even make some new friends. Let's make December synonymous with acts of kindness.

Below is the schedule of the holiday meals that are happening. I will certainly go to my share of them and hope to see you there.

Happy Holidays to you and your loved ones.
